## Policy 14-01

# Administration of NRS 116.31155 (2)

**Fee discrepancy.** If a master association and a sub-association report different unit counts within the sub-association, the Division will use the higher unit count to calculate the total due to the Division. The Division will seek any deficiency in the amount due to the Division from the master association and the sub-association until the full amount due to the Division is paid by either entity.
