

**STATE OF NEVADA
DEPARTMENT OF BUSINESS AND INDUSTRY
REAL ESTATE DIVISION**

INSPECTOR OF STRUCTURES – INSPECTION LOG FOR CERTIFIED MASTER

NAC 645D.230 Requirements for certificate as certified master inspector. (NRS 645D.120)

1. An applicant for a certificate as a certified master inspector:
 - (a) Must furnish proof satisfactory to the Division that he has successfully completed:
 - (1) Not less than 60 hours of academic instruction in subjects related to structural inspections in courses approved by the Division;
 - (2) An examination approved by the Division; and
 - (3) **At least 400 inspections for a fee, of which not less than 50 of the inspections must be of commercial structures or structures consisting of more than four residential units.**
 - (b) Must possess a high school diploma or its equivalent.
 - (c) Must demonstrate his ability to produce a complete and credible inspection report according to the standards and requirements set forth in NAC 645D.460 to 645D.580, inclusive.
2. An applicant must submit to the Division a log of the inspections he performed for a fee on a form supplied by the Division.
(Added to NAC by Real Estate Div. by R214 97, eff. 5 11 98; A by R177 01, 5 20 2002)

Please list the required 50 commercial inspections on pages 1-3 and the residential inspections on the subsequent pages.
