**ENERGY AUDITORS PRE-LICENSING PROGRAM PROVIDERS  
WHICH LEAD TO CERTIFICATION AND ACCREDITATION PROGRAMS LISTED BELOW  
APPROVED BY THE NEVADA REAL ESTATE DIVISION ADMINISTRATOR**

The following list has been compiled with input from the providers as a courtesy to all licensees and is subject to change. The Real Estate Division does not specifically endorse any one provider nor does it guarantee the information contained herein is accurate. **Contact providers direct for current pricing and schedules.**

*Note: Nevada licensure as an energy auditor requires successful completion of 40 hours of training and practice in an approved program and certification or accreditation from a nationally recognized professional energy auditing program that is approved by the Administrator. The below listed courses are designed to provide the necessary training, practice, & certification simultaneously.*
