Subject: Re: Petition for Rehearing

Good Evening,

After reading both complaints, it is clear that they are both related with the same two individual's Ben Prasad and Gretta Jones and the gross misuse of my name and Real Estate license.

I would like to have a Rehearing on any and all cases that were held in September. I respectfully request a stay on all decisions that were entered by the Nevada Real Estate Commission from their meeting held September 2015.

Due to lack of knowledge on both cases I reserve the right to legal counsel.

Regards,

Patricia Prasad
