RE: NRED v. STEVEN ABOULAFIA
Case No.: RES 14-02-44-515

To Whom it May Concern:

As counsel for Steven Aboulafia, I am respectfully requesting an extension for the completion of his requirements pursuant to the Findings of Facts, Conclusion of Law and Order in the above-referenced matter. Mr. Aboulafia has been unable to work due to being ill and having medical issues. He is able to work again, and at this time is only able to, and willing to, make \$500.00 payments per month. Additionally, he will pay one-half of his commissions when he is able to make a sale.

Additionally, he has two classes to complete, and the last class is scheduled to be completed in October. Upon receipt of the certificate Mr. Aboulafia will deliver to the real estate division office. It is my understanding that he took some classes and only found out after the fact that they did not meet the required standards under the Order.

Based upon the forgoing, Mr. Aboulafia is respectfully requesting that implementation of his discipline be stayed to allow him to complete his requirements as outlined above. He is asking for consideration of this request by the Commission, and that he please be placed upon the next agenda for their consideration of this request. This is Mr. Aboulafia's first request, and this is being made in good faith.

Sincerely,

James S. Kent, Esq.
