To Whom It May Concern:

Att: Teralyn Thompson,

My name is Juan Guerrero-Flores and I am from Reno, NV, and I will like to set up a date for an appeal to hopefully change the Nevada Real Estate Division's decision for denying my license. I am asking the Division to please consider the fact that I worked hard to pass the exam, and I'm disheartened at the fact that my original request was denied. I'm optimistic and I believe this will not be a definitive decision. I'm aware that the Division has all the right and power to decide whom they grant licenses to and whose requests are refused; and I will simplify that if the Division feels that I was dishonest on my application, I want to apologize now. I swear I had no intent to defraud the Division's decision in any way. I righteously want to be licensed and I wouldn't want to jeopardize my opportunity at all. I fear the Division has reviewed my application once before in the past, and I sense they have failed to notice the necessity that I carry. I unmistakably want this, and I'm willing to show once and for all, that I deserve to actualize my skills, and I, consequently be licensed. Being a licensed agent is something that I always wanted and I consider real estate a gateway to my prosperity, happiness, and my future. This is my life-long goal and I'm willing to do anything to be licensed. I appreciate the time you have taken for me and I sincerely thank you.

With Great Regards,

Juan Guerrero-Flores

Re: Real Estate License Application

Cert. No.: 7014 2120 0003 0403 2751

Dear Mr. Guerrero-Flores:

The Nevada Real Estate Division has reviewed your application for your Nevada real estate salesperson's license. The Real Estate Division has determined that you do not demonstrate the qualifications necessary for a Nevada real estate license.

It is the determination of the Division to deny your application for a real estate salesperson's license. The denial of your application is pursuant to NRS 645.330.

"1. Except as otherwise provided by specific statute, the division may approve an application for a license for a person who meets all the following requirements:

(a) Has a good reputation for honesty, trustworthiness and integrity and who offers proof of those qualifications satisfactory to the division."

2. The Division:

(a) May deny a license to any person who has been convicted of, or entered a plea of guilty or nolo contendere to, forgery, embezzlement, obtaining money under false pretenses, larceny, extortion, conspiracy to defraud, engaging in a real estate business without a license, possessing for the purpose of sale any controlled substance or any crime involving moral turpitude, in any court of competent jurisdiction in the United States or elsewhere;"

You have the right to request, in writing, an appeal of this decision within 30 days of receiving this letter per NRS 645.440(2) and NAC 645.095(3). Please be advised that at an appeal hearing, the Real Estate Commission will review your entire licensing record and may question you thereon. Pursuant to NAC 645.095(4) fees for the application are not refundable.

If you wish to appeal this decision, please mail your request to the Real Estate Division to the attention of:

Teralyn Thompson, Administration Section Manager

Fingerprint Background Waiver

As an applicant who is the subject of a Federal Bureau of Investigation (FBI) fingerprint-based criminal history record check for a noncriminal justice purpose you have certain rights which are discussed below.

1. You must be notified by **the Nevada Real Estate Division** (*name of requesting agency*) that your fingerprints will be used to check the criminal history records of the FBI and the State of Nevada.
2. If you have a criminal history record, the officials making a determination of your suitability for the job, license or other benefit for which you are applying must provide you the opportunity to complete or challenge the accuracy of the information in the record. You may review and challenge the accuracy of any and all criminal history records which are returned to the submitting agency. The proper forms and procedures will be furnished to you by the Nevada Department of Public Safety, Records Bureau upon request. If you decide to challenge the accuracy or completeness of your FBI criminal history record, Title 28 of the Code of Federal Regulations Section 16.34 provides for the proper procedure to do so:

16.34 - Procedure to obtain change, correction or updating of identification records. If, after reviewing his/her identification record, the subject thereof believes that it is incorrect or incomplete in any respect and wishes changes, corrections or updating of the alleged deficiency, he/she should make application directly to the agency which contributed the questioned information. The subject of a record may also direct his/her challenge as to the accuracy or completeness of any entry on his/her record to the FBI, Criminal Justice Information Services (CJIS) Division ATTN: SCU, Mod. D-2, 1000 Custer Hollow Road, Clarksburg, WV 26306. The FBI will then forward the challenge to the agency which submitted the data requesting that agency to verify or correct the challenged entry. Upon the receipt of an official communication directly from the agency which contributed the original information, the FBI CJIS Division will make any changes necessary in accordance with the information supplied by that agency.

3. Based on 28 CFR § 50.12 (b), officials making such determinations should not deny the license or employment based on information in the record until the applicant has been afforded a reasonable time to correct or complete the record or has declined to do so.
4. You have the right to expect that officials receiving the results of the fingerprint-based criminal history record check will use it only for authorized purposes and will not retain or disseminate it in violation of federal or state statute, regulation or executive order, or rule, procedure or standard established by the National Crime Prevention and Privacy Compact Council.

5. I hereby authorize **the Nevada Real Estate Division** (name of requesting agency) (name of requesting agency), to submit a set of my fingerprints to the Nevada Department Public Safety, Records Bureau for the purpose of accessing and reviewing State of Nevada and FBI criminal history records that may pertain to me.

In giving this authorization, I expressly understand that the records may include information pertaining to notations of arrest, detentions, indictments, information or other charges for which the final court disposition is pending or is unknown to the above referenced agency. For records containing final court disposition information, I understand that the release may include information pertaining to dismissals, acquittals, convictions, sentences, correctional supervision information and information concerning the status of my parole or probation when applicable.

6. I hereby release from liability and promise to hold harmless under any and all causes of legal action, the State of Nevada, its officer(s), agent(s) and/or employee(s) who conducted my criminal history records search and provided information to the submitting agency for any statement(s), omission(s), or infringement(s) upon my current legal rights. I further release and promise to hold harmless and covenant not to sue any persons, firms, institutions or agencies providing such information to the State of Nevada on the basis of their disclosures. I have signed this release voluntarily and of my own free will.

A reproduction of this authorization for release of information by photocopy, facsimile or similar process, shall for all purposes be as valid as the original.
