

INSTRUCTOR DEVELOPMENT WORKSHOP 2016

The Nevada Real Estate Division (NRED) will be offering its annual Instructor Development Workshop (IDW) 2016 on June 21st in Reno and June 22nd in Las Vegas.

The 3-hour training will demonstrate how to effectively:

- Incorporate the NAC 645.428 instructor duties as the bedrock of each instructional experience;
- Utilize the instructor's industry experience and practical examples as a training method supplemental to course content; and
- Manage the classroom experience to maximize the participation of, and benefit to, the licensee attendees.

IDW 2016 will be presented by Michelle Casolari, a long-time real estate educator in Nevada.

An Education and Research Funded project, the IDW is open to all instructors approved by NRED. There is no fee to attend. Prior enrolment is required. Registration deadline is 5:00 pm on Friday, June 17, 2016.
