

*Answer to trivia question:*

*If Broker, who is not a property management (PM) permit holder, does not have a designated licensed broker or broker-salesperson (affiliated with the brokerage) with PM permit to engage in and supervise property management activities at that office, Broker and Agent are in violation of NRS 645.6055. The designated property manager must meet the qualification criteria set forth in NRS 645.6055(2).*
