Special Note:	As of current, 9 investigations have exceeded the 365-day mark. However, our team is working to process these cases as quickly as possible. The projection date on the backlog project changed a bit. We are grtting caught up. Once the new Standard 3 contract are finalized, will be caught up with zero exceeding 365 days hopefully no later than March 1, 2024. Additionally, all cases with DAG have exceeded the 365-day mark.
