I have been practicing law for more than 29 years. Over this time, I have worked in large law firms and small law firms representing both plaintiffs and defendants in trial and in administrative hearings. At each firm, I learned from the best and came away with unique legal experiences — experience that I bring to each matter in which in am engaged.

I was fortunate to be able to earn two law degrees, a Juris Doctor (J.D.) and a Masters of Laws (LL.M.). I am proud to be admitted to the practice of law in Nevada, California and New Mexico. In providing arbitration, referee or mediation services, I am interested in the concerns of each party and finding solutions to their issues.
