Ms. Everson stated that the main issue the Division had with her application to become a certified residential appraiser was that she did not redo her internship. Ms. Everson stated that she could not find anything in the statutes that stated she had to redo her internship. Ms. Everson stated that NRS 645C.390 states that later than one year after the date of expiration, the applicant needs to reapply in the same

manner as for an original certificate or license. Ms. Everson stated that the way she interpreted the statute was that she could use her same internship hours, redo her classes, take and pass the State exam. Ms. Everson stated that the log from the State states that the experience gained as an appraiser while in the employment of a certified appraiser as an intern or license appraiser must be obtained after January 30, 1989 and in compliance with the Uniform Standards of Professional Appraisal Practice (USPAP). Ms. Everson stated that her internship log was after the Appraisal Standards Board adopted USPAP. Ms. Everson stated that she had a license in 2011 and was in compliance with USPAP. Ms. Everson stated that she did not understand why she could not use her internship log.

President Cronin stated he would like to enter the State's exhibits 0001-0177 into evidence.

Deputy Attorney General Peter Keegan stated that Ms. Everson's application was denied based on the intern logs that date back to 2005 and 2007. Mr. Keegan stated that some of the information on the logs was not adequate to identify dates or names of the addresses of the appraisals conducted. Mr. Keegan stated that more than a year had passed since Ms. Everson's license expired in 2011 and pursuant to NRS 645C.390(3)(b), a new application is required with internship logs to satisfy the 2,400 hour requirement specified in NAC 645C.065(5) and NAC 645C.120. Mr. Keegan stated that originally Ms. Everson submitted a renewal application that received a deficient transaction letter on May 5, 2020. Mr. Keegan stated that Ms. Everson then reapplied submitting her logs as a new applicant that was then denied on August 4, 2020.

Ms. Everson read a letter into the record that was dated August 20, 2020 submitted with her license denial appeal.
