Good afternoon Ms. Lapadu,

I received your request and will place you on the agenda for the Commission of Appraisers of Real Estate meeting(s) scheduled for April 26-28, 2022, to petition the Commission for reconsideration of the due date for your ordered education.

Since it is a stacked agenda, there is no specific day or time that can be given as to when your agenda item will be called and it is your responsibility to be present.

Please let me know if you have any questions.

Thank you,

Kelly Valadez

Subject: Extension of deadline

WARNING - This email originated from outside the State of Nevada. Exercise caution when opening attachments or clicking links, especially from unknown senders.

Hello Ms. Valadez,

I am formally requesting an extension of the deadline for the courses being required in Case No:2018-1363 & AP19.005.S.

I submitted 34 hours of classes to the state last week, but was notified that only 7 hours could be applied as the other courses were not matches to what the state requested. I have researched the Education Providers listed on the state's website, but was only able to find 1 course that matched a listed class and it is for 4 hours and not the 7 required hours. I will be taking this class even though it does not fully comply.

I have sent an email to Ms. Lindsay asking for guidance as to how I can fulfill the requirements

and am hoping to have some resolution soon.

Respectfully,

Michelle Lapadu
