Special Note:	As of current, 20 investigations have exceeded the 365-day mark. However, our team is working to process these cases as quickly as possible. We project that all investigations will be caught up with zero exceeding 365 days no later than January 1, 2024. Additionally, all cases with DAG have exceeded the 365-day mark. I have added the in renewal and pending licensees to this report. There are 5 pending interns, some appear to be old and possibly need follow-up.
