Special Note: As of current, 11 investigations have exceeded the 365-day mark. We have been working with new policies and procedures to streamline our investigative process and reduce the timeframe for completions. We have increased the number of cases forwarded for Standard 3 Review and are reviewing the results of those to finalize our investigative reports. Our goal is to have all investigative reports completed within 6 months from the date of reciept, including Standard 3 reviews if needed, this will allow for sufficient time to refer cases to AARC or CARE before the 365-day mark. We are on track to achieve this by the end of the 3rd quarter of FY2025.
