Good Afternoon Maria,

I just received notice from Christal Keegan deputy AG that Highlands Ranch North is being called to hearing on September 10- 12th. I only noticed this through the hearing agenda Christal provided for another one of my communities going to hearing.

I was hoping that we could still provide the attached documents showing that we have come into compliance with 3 board members as of Wednesday August 14th, 2024.

Thank you for your time,

FELICIA NORRIS
