Ms. Hardin,

Thank you for your time the other day. This is to request reinstatement of my license, and a new payment plan for the adjudicated fines and associated costs. This month marks having my broker's license in Nevada for 20 years. I have made a considerable contribution to my industry, having been president of the Reno Sparks Association of Realtors, and many, many committees and boards, throughout Reno, Nevada Association of Realtors, and the national association during this timeframe. I would appreciate the reconsideration of this matter and propose the following payment plan:

Months 1 through 8	\$250.00 per month
Months 9 through 32	\$500.00 per month
Months 33 on	\$1,000.00 per month until paid in full. (approximately 20 months)

I appreciate your consideration of this matter. Thank you.

Dennis Wilson
