RE: REN 14-03-01-027
License # BS42507

Dear commissioners.

I apologize that I cannot be at your hearing to make this request in person. I am working an hourly job and cannot take time off from it.

My license was suspended as I could not make any of the payments pursuant to the payment schedule given after the hearing in the above referenced action.

I request that my license be reinstated and that a new payment plan be arranged. I have completed all of the continuing education requirements for my license, which expired on May 31, 2018. I have waited to renew my license until I receive word on this request, as if I am not afforded the opportunity to make this right under a new payment schedule, I fear that I will never be able to pay this fine in full.

I propose and request the following payment schedule:

Months 1 through 8	\$250.00 per month
Months 9 through 32	\$500.00 per month
Months 33 on	\$1,000.00 per month until paid in full.

(approximately 20 months)

I appreciate your consideration of this request.

Thank you
