REAL ESTATE COMMISSION

BY Evelyn Pattee

Hi Evelyn,

Thank you for speaking with me today. I would like to request a reconsideration of the commission decision regarding case #2019-224. I could not attend the hearing in Sept due to worsening COVID conditions at that time. In an email, I had offered to attend remotely, but never got a response from Mr. Feeley. Any additional information I can provide, please let me know.

Sincerely,

Anson Wenzel
