Filing of a Petition

From Robert Goldsmith

I want to file a petition on the decision of the **Case# 2018-819 I was not able to be heard and I will prove the the Division that this case should be dropped.**
If the attorney would please take a look at what was filed against me by someone who changed there story 3 different times and one of the time will clarify one of the complaints which states that I didn't notify the buyers agent I was representing my Brother. It clearly states that the buyer thought we didn't close on the house he was buying was because me and my brother were in an argument. This should clearly notify you that the buyer had to know because it was told to his buyers agent the seller is my brother. I have paperwork for this case and I have been a Realtor for over 20 years and no complaints and now a buyer which was living rent free for 9 months in the property he was trying to buy and I told the buyers agent that he had to pay rent and why haven't you been showing him property. I filed for eviction on June 11 of 2019 and June 12 he filed a complaint and added me to it. Why because he was forced to have to pay rent or leave. Life was great paying no rent. Now you the Division could only come up with I didn't notify the buyers agent the seller was my brother. Which in turn had nothing to do with his complaint. Just for you to manipulate me to pay money to the Division. Most realtors just pay it. I NEVER REPRESENTED THIS BUYER AND HE WAS CLEARLY NOTIFIED THE SELLER IS MY BROTHER READ THE COMPLAINT. THAT GIVES YOU YOUR ANSWER WAS HE NOTIFIES.

Thank you

Have a great day.
