

Petition to Appear before Commission March 29-31, 2022

NRED v Julie Rowell Case # 2021-424

Wednesday, February 2, 2022

Dear Commissioners,

I am very sorry to say but, as of this writing, I am not able to pay the investigation costs of \$1,795.12 by August 8, 2022. I am informing you of this with hopes that you will allow an amendment to the order giving me more time to pay.

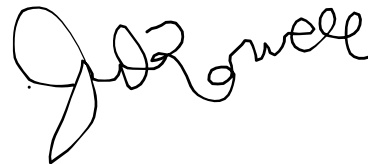

Given the current pandemic conditions of covid-19, I have not had income as usual. I do not have enough money to even pay my current daily living expenses and rent.

I am extremely sorry for all of my indiscretions with regards to this matter. The loss of my property management and real estate salesperson license has been very humbling to say the least.

I beg and pray that you will have mercy on me and allow me to survive this.

My proposed amendment is for you to allow me up to 48 months with a minimum of \$38.00 due the first day of each month starting in July of 2022. If I have extra money, I will pay more each month.

Thank you for your valuable time and consideration commissioners. I deeply appreciate anything that you can do for me in my most difficult time of need.
