Hello, my name is Paul Wynn, and I am writing this to you in the hopes that I may receive a payment plan on the fines assessed to me by this division. Due to financial hardships out of my control within my immediate family due to medical issues, I will not be able to pay the entire fine within the guidelines set by the division. I am faithfully submitting a payment of \$300 and will make same payments each month until the entire amount is paid in full if allowed to do so. I apologize for my inability to pay the amount in full at this time, but I simply do not have the available funds. In addition, I would like to ask the division to allow me until the next August session to complete my required penalty CE hours. I will have all hours completed, along with four payments of \$300 for May, June, July, and August by the time the session is held.

Thank you for hearing my request, and I hope you will work with me.

Respectfully,

Paul Wynn
