Yes please, and thank you for responding so quickly. Also, where would I make a payment between now and then, and what should I use as a reference for the payment?

Thank you,

Paul Wynn

Good afternoon Mr. Wynn,

I am the Commission Coordinator for the Real Estate Commission and you would need to petition the Commission for reconsideration of your due date and request for a payment plan.

I can place you on the agenda for the upcoming February 21-23, 2023 Real Estate Commission meeting for you to ask for the extension and payment plan.

The Commission meeting is past your due date of February 3, 2023, but if you begin making payments on your fine/costs due, it will show good faith to the Commission.

Would you like me to add you to the agenda to petition the Commission?

*Thank you,*

*Kelly Valadez*

Hello Maria,

I would like to ask for an extension or a payment plan for the fines assessed to me in our previous commission hearing. The real estate market is extremely slow, and business is way way down for us out there, as I am sure you are aware. I can make payments to the amount and am requesting the longest payment plan available. I will likely pay the entire amount off prior to the expiration of the term should one be granted. Otherwise, it will be difficult if not impossible to pay the amount in full by the due date. If my license was to be suspended for lack of payment, this only exasperates the issue and makes it impossible to make payments. I hope you will consider this option, and would not be requesting it if not completely necessary.

Sincerely,

Paul Wynn
