Sharath Chandra, Administrator
Real Estate Division, Department
Of Business & Industry,
State of Nevada

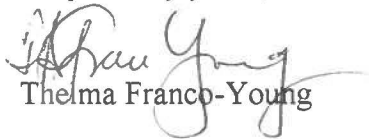

Attn: Mr. Chandra,

I would like to request a petition for re hearing to the Case No. 2018-377.

The reason to this request is, I received the Notice of Default followed by the Findings of Fact, Conclusions of Law, and Order, before the hearing date. I met with Ms Kelly Valadez and I finally got the notice of documents that I never received.

I hope for consideration to this matter.

Respectfully yours,

Thelma Franco-Young
