Good afternoon

Thanks for meeting with me today.

As we discussed I would like to appear in front of the commission to not only reinstate my but for reconsideration of the fine. My successful career as a real estate agent was stunted by the suspension of my license for not reporting my charges which I had no idea I had to. I even called the division the day I was sentenced to inquire if I had to do anything as well my broker never advised otherwise being well aware of my charges and pending court case. That being said it is hard to pay a fine when I have been out of work for over 2 years. I would appreciate a chance to appear before the commission as soon as possible so I may get back to work. Thanks for your consideration and GOD bless.
