WARNING - This email originated from outside the State of Nevada. Exercise caution when opening attachments or clicking links, especially from unknown senders.

I agree with the proposal that an instructor must attend instructor workshops. I would love to be involved but I have not received notice of any classes in the past several years. I have been an approved instructor for Pre, Post and CE for over 15 years. Make sure all instructors have access to these classes please. If you need to update my contact information, my email is [REDACTED] thank you.
